

***JTAonline* Change Request Tool**

Briefing to JTADG

February 2003

JTAonline Change Request Tool Overview

- Current CR Tool is being migrated into the *JTAonline*. Access will only be from the *JTAonline* (single sign on).
- Same User roles and privileges as current CR Tool.
- Software is being recoded into Java with the Oracle back-end.
- Tool has the same look and feel as the *JTAonline*.

JTAonline Change Request Tool Overview (Con't)

- Want to capture standard selection criteria and data about the standard when CR is input. Only 1 standard per CR.
- Goal is to provide this data about the standard into *JTAonline* profiling and search tools – abstracts, URLs, keywords.
- Author Period now called the Change Request Submission Period.
- Several new features are being incorporated - next slides.

JTAonline Change Request Tool New Features

- Requirement to enter standard selection criteria and information about a standard when proposing a new or updated standard.
- On Accept with Revision – required to add new (revised) description & rationale.
- Ability to see the lower level JTA Numbers associated with head duplicates
- Incorporated a process to “Transfer” CRs among Subgroups.

JTAonline Change Request Tool New Features

- Tool displays “Last Updated” date & time
 - Ability to select date range for viewing CRs.
- Ability to download attachments directly from the CR.
- Screens display the current time period.
- Ability to select via input the CR you wish to display.
- More confirmation screens.

Change Request Tool

Change Request Submission - Version 5 Draft 0

The Change Request Tool is used to capture user-generated Change Requests (CRs), allow Component Representatives to review the CRs from their organizations, allow Subgroups to review and recommend disposition for all CRs related to their area of control, and provide a means for the Joint Technical Architecture Development Group (JTADG) to control discussion, record revisions, and record votes at its meetings.

Change Request Submission: 01 Dec 2002 - 30 Jan 2003

Component Representative Review: 31 Jan 2003 - 01 Feb 2003

Secretariat Period: 02 Feb 2003 - 01 Mar 2003

Subgroup Evaluations and Recommendations: 02 Mar 2003 - 01 Apr 2003

JTADG Period: 02 Apr 2003 - 01 May 2003

JTAonline Change Request Tool Select to Display

The screenshot shows a Netscape browser window titled "Select Change Request Display Criteria - Netscape". The address bar shows the URL: <http://itadev.ncr.disa.mil/JTA/do/DisplayPrepare>. The browser interface includes a menu bar (File, Edit, View, Go, Communicator, Help), a bookmarks bar, and a toolbar with icons for Back, Forward, Reload, Home, Search, Guide, Print, Security, Shop, and Stop.

The main content area of the browser displays the JTAonline interface. On the left is a blue sidebar with the JTAonline logo and "UNCLASSIFIED" text. Below the logo are several buttons: "Change Request", "Search", "Change Request", "Display", "Add New", "Delete", "Make a Note", "Take an Action", "Table of Contents", "JTA Newsgroups", and "JTA Web Site". At the bottom of the sidebar, it says "JTAonline Version 1.0 30 August 2002".

The main content area has a navigation menu with links: Privileges, JTAonline Home, Contacts, FAQs, Guidance, Links, Change Password, Log Off, Suggestions, and Problems?. Below this menu is the title "Select Change Request Display Criteria" and a subtitle "Component Representative Review - Version 5 Draft 0".

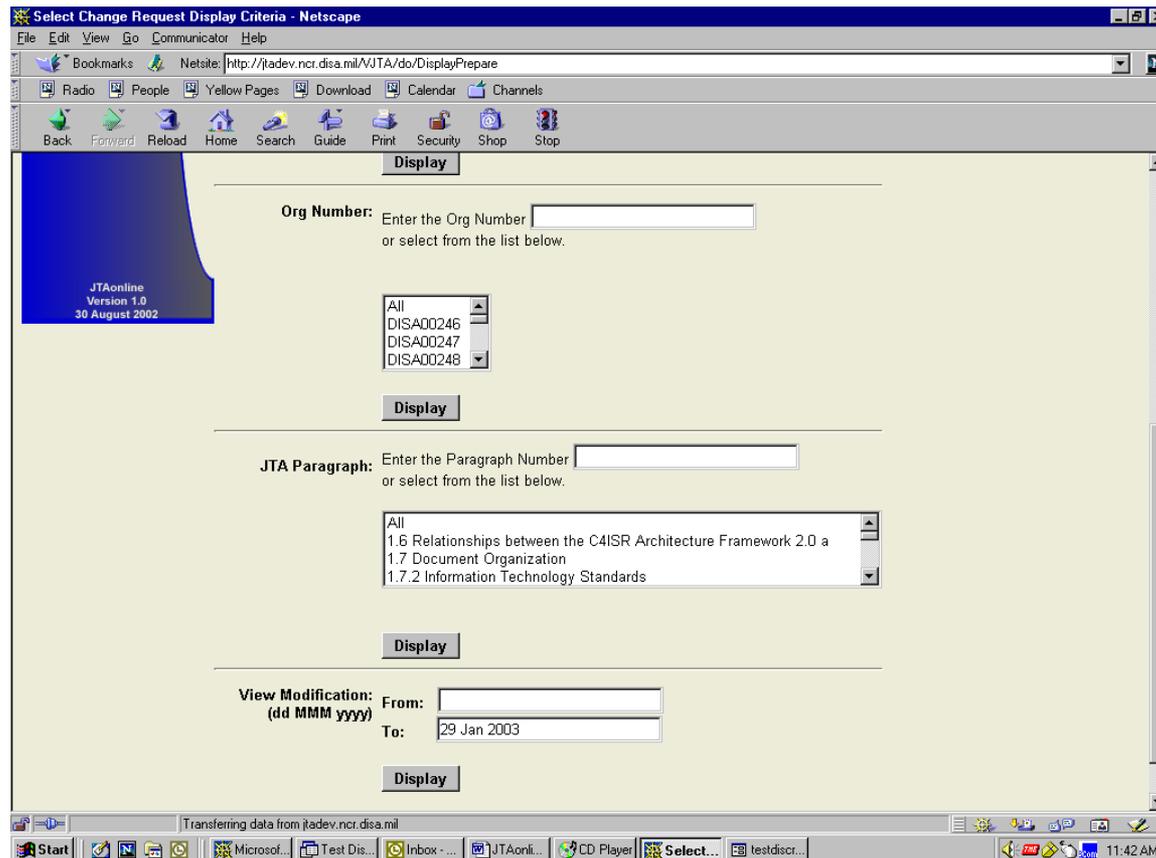

The main content area contains the following text: "You can display change requests by choosing one of the following criterion:" and "Display Criteria:". There are three sections for selection:

- Author:** A dropdown menu with options: All, Author DISA, Comprep DISA, and Dung Pham. Below it is a "Display" button.
- Component Representative Review Action:** A dropdown menu with options: All, Accept Author Input, Accept with Revision, and Awaiting Input. Below it is a "Display" button.
- Org Number:** A text input field with the placeholder "Enter the Org Number" and a note "or select from the list below." Below it is a dropdown menu with options: All and DISA00246.

The status bar at the bottom of the browser shows "Transferring data from itadev.ncr.disa.mil" and the system tray includes icons for Start, Microsoft..., Test Dis..., Inbox..., JTAonline..., CD Player, Select..., testdiscr..., and Docume..., along with the time "11:36 AM".
